Hi Ed,

Thank you for your interest in Watermark on Flathead Lake. I have attached both of the floor plans, additional renderings of what the site will look like, the Sales Agreement, as well as the drafted: Bylaws, Rules, Condo Declaration, MT Condo Disclosure.

I know I had mentioned this over the phone, but please advise any potential buyers that this project does not have final approval yet. The information I am providing you is be subject to change until final approval (we anticipate final approval mid-July).

We also have a buysell we will be using for these units so we can accept offers immediately. I will forward that on as well.

Have a great evening.
Sincerely,

Crystal Ault
Prudential Montana
